Face Amount means the amount of insurance that the policy provides as shown in the policy specification schedule and from which the benefit under the policy will be determined.

Key Benefits

The product is a participating endowment plan with regular premium payments in which the Insured will participate in profits or bonus via reversionary bonuses. The premium paying term will be same as that of policy term. The premium will be level and guaranteed over the term of the policy. The policy provides Insurance coverage for both Policy Owner and Child.

A. Death Benefits

(i) Death of Policy Owner:

You can select one plan from the following two options.

| Gold Version | In case of death of the Policy Owner, "Lumpsum Death Benefit" is payable equal to 100% of the Face Amount of the policy and base policy premium due up to policy term is waived. Additionally, monthly income benefit equivalent to 2% of the Face Amount of the base policy shall be paid for remainder of the policy term. |
|-------------------|--|
| Silver Version | In case of death of the Policy Owner, base policy premium due up to policy term is waived. Additionally, monthly income benefit equivalent to 2% of the Face Amount of the base policy shall be paid for remainder of the policy term. |

The policy shall remain in force and on survival of Insured Child at maturity, 100% of Face Amount and accrued reversionary bonuses shall be paid at the end of policy term for both versions.

(ii) Death of Insured Child:

In case of death of Insured Child within the policy term, Death benefit is payable equal to 25% of the Face Amount and accrued reversionary bonus or premium of base policy paid amount or Surrender Value whichever is higher, and the Policy shall terminate automatically.

(iii) Death of Insured Child and Policy Owner simultaneously:

In case of death of Insured Child and Policy Owner simultaneously within the policy term, Beneficiary is paid equal to 100% of Face Amount and accrued reversionary bonus for the death of Policy Owner and 25% of Face Amount for the death of Insured Child.

(iv) Death of Insured Child after Policy Owner's death:

In case of death of Insured Child after the death of the Policy Owner within the policy term, Beneficiary is paid equal to 25% of the Face Amount and accrued reversionary bonus or premium of base policy paid amount or Surrender Value whichever is higher, and the policy shall terminate automatically.
