Key Benefits:

The product is an endowment plan with limited premium payment options in which the Insured will be entitled to benefits such as Booster fund and Loyalty Rewards. The Insured will have flexibility on premium payment options to choose either Single Premium or Limited Premium Payment for 5 years (5 Pay) or 10 years (10 Pay) as per the Insured convenience making it easier to plan for future.

1. Death Benefit

In case of death of the Insured within the policy term, the beneficiary is paid lumpsum equal to two (2) times of Face Amount (FA) less any indebtedness on the Policy, if any. Any excess Booster Fund benefit and Loyalty Rewards benefit that have been paid in between the claim commencement date and claim approved date after the death of Insured shall be deducted from the proceeds payable under this Policy. Such Death Benefit payment will terminate the Policy contract.

2. Permanent Total Disability (PTD) Benefit

If the insured becomes permanent and totally disabled due to accident or sickness/disease within the policy term and such disability has continued for a period of Six (6) consecutive months, the Insured is paid lumpsum amount equal to two (2) times of Face Amount (FA), less any amount paid or payable under Accidental Death, Dismemberment (AD, D) Benefit. Any Indebtedness on the Policy will be deducted from the proceeds payable. Any excess Booter Fund benefit and Loyalty Rewards benefit that have been paid in between the disability commencement date to disability claim approval date shall be deducted from the proceeds payable under this Policy. Such Permanent Total Disability Benefit payment will terminate the Policy contract.

3. Accidental Death, Dismemberment, Loss of Sight, Hearing and Speech Indemnity (AD, D) Benefit

When injury results in loss of life of an Insured within three hundred sixty-five (365) days from the date of accident, the Company will pay equal to one (1) time of Face Amount (FA), less any indebtedness on the Policy and any other amount paid or payable under Dismemberment benefit. Any excess Booster Fund benefit and Loyalty Rewards benefit that have been paid in between the claim commencement date and claim approval date after loss of life of any Insured shall be deducted from the proceeds payable under this Policy. Such Death Benefit payment will terminate the Policy.

4. Booster Fund Benefit

Booster Fund benefit is payable annually from the first policy anniversary until the Policy Maturity Date. The rate of Booster Fund is declared at the end of every Gregorian calendar year, based on the investment yield of the segregated fund, in accordance with the table below. For example, Booster Fund benefit payable in between 1st Jan 2025 to 31st Dec 2025 is based on investment yield of the segregated fund in year 2024.

Upon survival of the Insured to the end of every Policy Year, the Company shall pay the Booster Fund benefit as part of the survival benefit until the Maturity Date of this Policy.

Insured may choose either option below:

- Cash Payout Option: Receive the Booster Fund benefit yearly; or
- Accumulation Option: Accumulate the Booster Fund benefit with the Company with interest compounding annually. The interest rate is the investment yield of the segregated fund (the same yield used to determine the rate of Booster Fund), less an investment charge of 1 percent.

If no option is selected, the default option will be the Accumulation Option.

5. Loyalty Rewards Benefit

Loyalty Reward benefit is a guaranteed benefit payable upon survival of the Insured at end of every 5th policy year until the end of Policy Term. The rate is guaranteed and in accordance with the table below.

End of policy year	5	10	15	20
per 1,000 Face Amount (NPR)	10	20	30	40

Insured may choose either option below:

- Cash Payout Option: Receive the Loyalty Rewards benefit at the end of 5th, 10th, 15th, and 20th policy year; or
- Accumulation Option: Accumulate the Loyalty Rewards benefit with the Company with interest compounding annually. The interest rate is the investment yield of the segregated fund (the same yield used to determine the rate of Booster Fund), less an investment charge of 1 percent.

If no option is selected, the default option will be the Accumulation Option.

Once, the Insured has chosen the option for the Booster Fund benefit and Loyalty Rewards benefit during the enrollment stage, this option can be changed only within 3 months from the Policy Issue date. Thereafter, this option cannot be changed during the whole policy term. Note that the option selected for Loyalty Rewards benefit must be the same as the option selected for Booster Fund benefit.

6. Maturity Benefits

Upon survival of the Insured to maturity of the Policy, the Insured will be paid Face Amount (FA x 1), the accumulated Booster Fund benefit (if any), and the accumulated Loyalty Rewards benefit (if any), less any indebtedness to the Policy. Such maturity benefit payment will terminate the Policy.

7. Special Provisions

There are provisions of Cash Surrender, Policy Loan facility and Non-Forfeiture Options of Paid-Up Policy or Automatic Premium Loan. Paid-Up Policy provision will apply automatically if none of the options are elected.
